2023 Budget & Long Term Financial Plan

**Budget Workshop
February 22 and 23, 2023**

Budget Workshop

- 2023 Budget Guidelines
- 2023 County Levy
- 2023 County Tax Rate
- Service Delivery Improvement Plan (SDIP) Payback
- COVID-19 Impact on 2023 Budget
- Asset Management Plan & OREG 588/17
- 2023 Operating Budget
- 2023 Capital Budget
- 2023 Reserves
- 2023 Staffing Changes
- 10 Year Capital Plan
- Long Term Financial Plan
- Adopt Budget By-law

2023 Budget Guidelines

2023 Budget Guidelines

2023 Budget Guidelines – September 2022

RESOLUTION NO. FA-CC-22-09-83

Moved by Chair

Seconded by Committee

THAT County Council approve the 2023 Budget Guidelines as follows:

- annual levy increase of **2.5%**;

AND THAT County Council also confirm the remaining elements of the Long-Term Financial Plan as follows:

- restriction in the use of that levy increase to only 2.5% per year for operating expenses;
- utilization of the annual current value assessment (CVA) weighted growth into capital reserves (**estimated at 1.48%**);
- new debt for projects in excess of \$3 million;
- annual Provincial funding of at least \$500 thousand;
- annual Federal Gas Tax funding of at least \$2.6 million; and
- minimum Capital Reserve balance of \$2 million.

2023 Budget Guidelines

RESOLUTION NO. FA-CC-22-09-84

Moved by Chair

Seconded by Committee

THAT County Council approve that the Cost of Living Allowance (COLA) increase for non-union staff under Employment By-law #1 be set at **2.0%** for 2023.

RESOLUTION NO. FA-CC-22-09-85

Moved by Chair

Seconded by Committee

THAT County Council approve the **2023 Budget Schedule**.

2023 County of Renfrew Levy

COLA Target + WTD CVA Growth

Assessment Growth -2022

- *Growth represents assessment increase or decrease regardless of whether market based reassessment occurs*
- **All municipalities will see an revenue impact because of growth each year**
- *Increases come from new construction, additions, improvements and change in use*
- *Decreases come from demolitions, change in use, tax write-offs, etc*

2023 County of Renfrew Levy

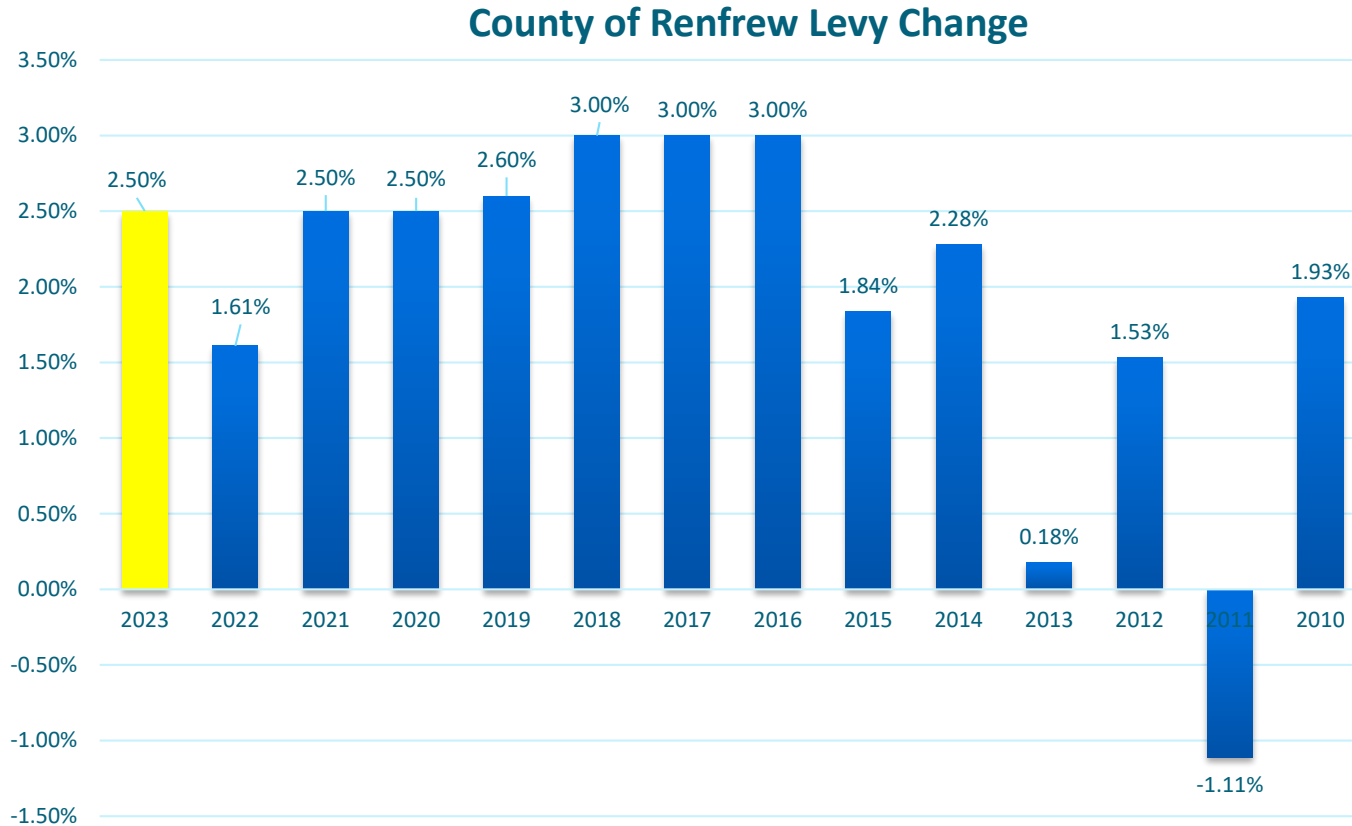

WTD CVA Growth

CVA Growth - County of Renfrew

2023 County of Renfrew Levy

COLA Target

2023 County of Renfrew Levy Target

2023 Levy Target %	2022 Growth %	Total Levy Change
2.50%	2.16%	4.66%

2023 County of Renfrew Levy **Target**

2022 Levy	2023 Levy Target	Difference	%
\$50,540,380	\$52,893,896	\$2,353,516	4.66%

2023 Tax Rate Assuming Status Quo Tax Policy From 2022

Except Council approved a recommendation by the Tax Policy Working Group that we reduce our Industrial Tax Ratio down to the Provincial Threshold over 2 years then we can apportion the full budgetary tax increase to this class rather than the current 50% Levy restriction.

Broad Ind Ratio - from OPTA Jan 10/22	3.19541
Target Broad Ind	2.63
Difference	-0.56541
Move 50% in 2022	2.912705
All the way in 2023	2.63

2023 Residential Tax Rate Assuming Levy Target of 2.5%

Year	Rate per \$100,000	Median Property Value	County Taxes per Median Property
2023	391.50	203,000	794.75
2022	381.62	203,000	774.69
\$ Change - Annual	9.88		20.06
% Change			2.6%

Rates are higher than 2.5% (4.66%-2.16% cva) due to Industrial Ratio decrease
*Final Tax Rates Are Not Set Until Tax Policy is Adopted in April 2023

2.5% is the Target – But our Status Quo Service Level Budget for 2023 is **10.7%**

To reach our target of a 2.5% increase over
2022, we need to reduce the levy by
\$3,062,296

Staff will review service level reductions that
are required by each department to reach the
2.5% goal set by Council

2023 Draft Budget Pressures for Ontario Counties

Email survey dated Feb 13, 2023 – Net of Growth

Municipality	Draft Levy %
County of Dufferin	4.61%
Huron County	10.3%
Frontenac County	7.62%
Perth County	8.69%
Oxford County	6.2%
County of Essex	6.12%
Grey County (used some one time reserves)	1.48%
Lanark County (3.65% growth applied to overall levy)	2.15%
Bruce County	10.57%
Lennox & Addington	5.2%
Northumberland	6.0%
Average	6.27%

Asset Management Regulation Requirements

Deadline #1 – Strategic Asset Management Policy

By July 1, 2019

CORPORATE POLICIES AND PROCEDURES			
SECTION: General Administration			POLICY GA-11
POLICY: Strategic Asset Management			
DATE: May 2019	REV. DATE:	COVERAGE: All Departments	PAGE #: 1 of 6

Deadline #2 – Enhanced AMP Covering Core Assets

By July 1, ~~2021~~ 2022

Asset management plans, current levels of service

(1) Every municipality shall prepare an asset management plan in respect of its **core municipal infrastructure assets by July 1, 2022, and in respect of all of its other municipal infrastructure assets by July 1, 2024.**

(2) A municipality's asset management plan must include the following:

1. For each asset category, **the current levels of service being provided**, determined in accordance with the following qualitative descriptions and technical metrics and based on data from at most the two calendar years prior to the year in which all information required under this section is included in the asset management plan:
 - i. With **respect to core municipal infrastructure assets, the qualitative descriptions set out in Column 2 and the technical metrics set out in Column 3** of Table 1, 2, 3, 4 or 5, as the case may be.
 - ii. With respect to all other municipal infrastructure assets, the qualitative descriptions and technical metrics established by the municipality.

Deadline #2 – Enhanced AMP Covering Core Assets

By July 1, 2022

TABLE 4
ROADS

Column 1 Service attribute	Column 2 Community levels of service (qualitative descriptions)	Column 3 Technical levels of service (technical metrics)
Scope	Description, which may include maps, of the road network in the municipality and its level of connectivity.	Number of lane-kilometres of each of arterial roads, collector roads and local roads as a proportion of square kilometres of land area of the municipality.
Quality	Description or images that illustrate the different levels of road class pavement condition.	<ol style="list-style-type: none"> 1. For paved roads in the municipality, the average pavement condition index value. 2. For unpaved roads in the municipality, the average surface condition (e.g. excellent, good, fair or poor).

TABLE 5
BRIDGES AND CULVERTS

Column 1 Service attribute	Column 2 Community levels of service (qualitative descriptions)	Column 3 Technical levels of service (technical metrics)
Scope	Description of the traffic that is supported by municipal bridges (e.g., heavy transport vehicles, motor vehicles, emergency vehicles, pedestrians, cyclists).	Percentage of bridges in the municipality with loading or dimensional restrictions.
Quality	<ol style="list-style-type: none"> 1. Description or images of the condition of bridges and how this would affect use of the bridges. 2. Description or images of the condition of culverts and how this would affect use of the culverts. 	<ol style="list-style-type: none"> 1. For bridges in the municipality, the average bridge condition index value. 2. For structural culverts in the municipality, the average bridge condition index value.

Deadline #2 – Enhanced AMP Covering Core Assets

By July 1, 2022

4. For each asset category, **the lifecycle activities that would need to be undertaken to maintain the current levels of service as described in paragraph 1 for each of the 10 years** following the year for which the current levels of service under paragraph 1 are determined and the costs of providing those activities based on an assessment of the following:
- i. The full lifecycle of the assets.
 - ii. The options for which lifecycle activities could potentially be undertaken to maintain the current levels of service.
 - iii. The risks associated with the options referred to in subparagraph ii.
 - iv. The lifecycle activities referred to in subparagraph ii that can be undertaken for the lowest cost to maintain the current levels of service.

Our Plan was created in 2014, before OREG 588/17. Our original plan was focused on condition ratings because the qualitative descriptions and technical metrics for core assets were not determined until 2017.

CORPORATION OF THE COUNTY OF RENFREW

ASSET MANAGEMENT PLAN

November 26, 2014

Asset	Target PCI or BCI	Actual PCI or BCI in 2022	10 Year Capital Plan	Estimated PCI or BCI in 2032
Roads	70	67.6	\$251,175,047	71.4
Bridge	68	70.3	\$51,335,000	69.3
Culvert	68	68.1	<u>\$42,829,000</u>	70.0
Total			<u>\$345,339,047</u>	

These service levels were approved by Council Resolution after the adoption of our Asset Management Plan

1,626 lane km of roads
81 bridge structures
151 major culverts (> 3 m)

*10 year capital plan based on 2022 values and does not include inflation

Our 10 Year Capital Plans were developed to ensure we meet these service levels during the 10 year planning horizon.

BUSINESS CASE - STAFFING REPORT

NEW 2023-EMS-01

Date: February 15, 2023

Department: Emergency Services

Report Prepared by: Brian Leahey, Deputy Chief
Operations

PROPOSAL	Addition of 728 Commander hours to adjust their bi-weekly hours from 80 hours to 84 hours.									
POSITIONS Non-Union X	Increase in Commander hours, Group 10, + 728 hours.									
SUMMARY <ul style="list-style-type: none"> • Background • Discussion 	The Commanders work 84 hours bi-weekly; this is to align with current practice and to meet the needs of the operational requirements of the Service. Commanders are direct supervisors to the paramedics on the road. The supervising commanders work 12-hour shifts/14 shifts per month and are following their Paramedic platoon.									
RECOMMENDATION	THAT the Health Committee recommends that the 728 hours for the adjustment of Commander hours from 80 hours bi-weekly to 84 hours bi-weekly, within the Emergency Services Department/Paramedic Service Division be brought forward to the February 22, 2023, County Council Budget Workshop for approval.									
FINANCIAL CONSIDERATIONS	<table style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 60%;"></th> <th style="text-align: center;"><u>HRS</u></th> <th style="text-align: center;"><u>Salary/Benefits</u></th> </tr> </thead> <tbody> <tr> <td>Commander</td> <td style="text-align: center;"><u>728</u></td> <td style="text-align: center;"><u>\$57,050</u></td> </tr> <tr> <td>Total ES Budget Change</td> <td style="text-align: center;">728</td> <td style="text-align: center;">\$57,050</td> </tr> </tbody> </table>		<u>HRS</u>	<u>Salary/Benefits</u>	Commander	<u>728</u>	<u>\$57,050</u>	Total ES Budget Change	728	\$57,050

BUSINESS CASE - STAFFING REPORT

NEW 2023-IT-01

Date: February 16, 2023

Department: Corporate Services,
Information Technology

Report Prepared by: Chris Ryn, IT Manager

PROPOSAL	To change the Administrative Assistant II position (Group 3) to a Help Desk position (Group 4), no change in the 1,820 hours.		
POSITIONS Non-Union X	Administrative Assistant II (1,820) to Help Desk 1,820.		
SUMMARY <ul style="list-style-type: none"> • Background • Discussion 	With the retirement of the Information Technology Administrative Assistant II in 2022 and the final results of the Perry Group Consulting, Digital Strategy review, there was an opportunity to review the existing position within the Information Technology Division. It was determined that a Help Desk position, with more IT related duties, rather than administrative duties would be better suited to assist the division, as well as staff and Elected Officials. The Helpdesk position would help manage help desk tickets, be the first point of contact to help solve the client's issues to improve customer service and provide a faster turnaround of customer requests, provide solutions and advice on technical issues and escalate help desk calls to the next level that require specialized IT Technician support. The Information Technology Division averages approximately 8,213 help desk tickets/requests annually.		
RECOMMENDATION	THAT the Finance and Administration Committee recommends that the position change from Administrative Assistant II (Group 3) to Help Desk (Group 4), no change in the 1,820 hours within the Information Technology Division, Corporate Services Department be brought forward to the February 22, 2023 County Council Budget Workshop for approval.		
FINANCIAL CONSIDERATIONS		<u>HRS</u>	<u>Salary/Benefits</u>
	Administrative Assistant II	(1,820)	(\$67,000)
	Help Desk	<u>1,820</u>	<u>\$77,000</u>
	Total IT Budget Change	0	\$10,000

BUSINESS CASE - STAFFING REPORT

NEW 2023-IT-02

Date: February 16, 2023

Department: Corporate Services,
Information Technology

Report Prepared by: Chris Ryn, IT Manager

PROPOSAL	The creation of a new Business Analyst position, Group 8, an increase of 1,820 hours.												
POSITIONS Non-Union X	Increase in Business Analyst position, Group 8, 1,820 hours.												
SUMMARY <ul style="list-style-type: none"> • Background • Discussion 	In 2021-2022, County Council approved the use of funding under the Municipal Modernization Program Intake 2 and 3 for a Digital Strategy Review to be completed by Perry Group Consulting. They explored our use of digital business tools including strengths and areas needing improvement from both internal business processes and citizen facing service aspects. The report determined that the County of Renfrew had no dedicated solutions or business analysts in Information Technology. There are many projects ahead which are in the business solutions domain that will require business analysis and application development skills to support systems configuration during the projects and for support after solutions are implemented. This individual will help the County of Renfrew define requirements, analyze current systems and determine specifications for new systems/solutions and improvements to business processes, as well as support by working with the departments and vendors during this process. This position may also assist the lower-tier municipalities depending on project timing and capacity.												
RECOMMENDATION	THAT the Finance and Administration Committee recommends that the increase of 1,820 hours for the creation of a new Business Analyst position (Group 8) within the Information Technology Division, Corporate Services Department be brought forward to the February 22, 2023 County Council Budget Workshop for Approval.

BUSINESS CASE - STAFFING REPORT

NEW 2023-POA-01

Date: February 16, 2023

Department: Provincial Offences,
Corporate Services

Report Prepared by: Ashley Wilton, POA Manager

PROPOSAL	Increase of 1,300 Prosecutor hours, Group 8, to change the Prosecutor position from a purchased service to an employee of the County of Renfrew.
POSITIONS Non-Union X	Increase in Prosecutor hours, Group 8, 1,300 hours.
SUMMARY <ul style="list-style-type: none"> • Background • Discussion 	<p>In February 2018, staff provided the Finance & Administration Committee with a letter dated January 22, 2018 from the Ministry of the Attorney General (MAG) advising that Bill 177 – Stronger, Fairer Ontario Act (Budget Measures), 2017 was passed by the Legislative Assembly of Ontario on December 14, 2017. This Bill enables the Attorney General to enter into agreements with municipalities to transfer responsibility for certain prosecutions currently prosecuted by the Ministry’s Criminal Law Division under Part III of the Provincial Offences Act. The target date for all municipalities to download Part III matters was the end of 2019 and MAG was to meet in June 2018 to further discuss how to proceed with the Memorandum of Understanding. No further updates were received until May 2019, when staff attended another Municipal Court Managers’ Association Annual Conference and the Ministry of the Attorney General (MAG) advised that the download of Part III Prosecutions was still under review and they could not provide a timeline as to when the download would occur.</p> <p>The Ministry will continue to prosecute certain Part III POA cases, including those in which a criminal charge is also laid, charges involving Ontario’s sex offender registry and Young Persons, and a review of POA fatalities will be conducted on a case-by-case basis to determine if the Crown Attorney or municipality will prosecute. The Ministry is continuing to plan for a phased approach to the transfer of this Part III work and the timing of individual transfers will be informed by local site readiness and capacity to assume this important responsibility. An amending legal agreement will be required to affect the transfer, consisting of an amending Memorandum of Understanding and amending Local Side Agreement, which specifically address the transfer of the Part III prosecution only.</p>

	<p>Part I offences represent less than 30% of all court matters before a Justice in Renfrew County courtrooms. Prior to a Part I court appearance there is also an informal meeting with the Prosecutor. These meetings result in a resolution before the court, payment of fine or a trial. With the transfer to Part III responsibilities, the workload for our Prosecutor will increase substantially as these matters tend to be more serious in nature and can have extensive disclosure provided by enforcement agencies i.e. video evidence, witness statements and collision reports. With the transfer of Part III responsibilities in 2023 and with the recent appointment of our purchased service/contract prosecutor to a Justice of the Peace, it would be beneficial to hire our own prosecutor, rather than purchase these services from a lawyer.</p>												
<p>RECOMMENDATION</p>	<p>THAT the Finance and Administration recommends that the increase of 1,300 hours for the Prosecutor position (Group 8) be changed from a Purchased Service to an employee of the County of Renfrew, within the Provincial Offences Administration Division, Corporate Services Department be brought forward to the February 22, 2023 County Council Budget Workshop for approval.</p>												
<p>FINANCIAL CONSIDERATIONS</p>	<table border="0"> <thead> <tr> <th></th> <th style="text-align: center;"><u>HRS</u></th> <th style="text-align: center;"><u>Salary/Benefits</u></th> </tr> </thead> <tbody> <tr> <td>Prosecutor</td> <td style="text-align: center;">1,300</td> <td style="text-align: center;">\$80,000</td> </tr> <tr> <td>Prosecutor Purchased Service</td> <td style="text-align: center;">_____</td> <td style="text-align: center;">(\$74,800)</td> </tr> <tr> <td>Total POA Budget Enhancement</td> <td style="text-align: center;">1,300</td> <td style="text-align: center;">\$ 5,200</td> </tr> </tbody> </table>		<u>HRS</u>	<u>Salary/Benefits</u>	Prosecutor	1,300	\$80,000	Prosecutor Purchased Service	_____	(\$74,800)	Total POA Budget Enhancement	1,300	\$ 5,200

BUSINESS CASE - STAFFING REPORT

NEW 2023-DP-01

Date: February 14, 2023

Department: Development and Property

Report Prepared by: Jason Davis

PROPOSAL

To restructure Forestry and GIS Division and reallocate existing staff within the Development and Property and Public Works Departments as follows:

- Remove the Manager of Forestry and GIS position
- Change existing GIS Technician position to GIS Coordinator
- Add one (1) full time GIS/Planning Technician position
- GIS staff reporting to Planning Division
- County Forester reports directly to the Director of Development and Property
- Add one (1) full time Forestry Technician position
- Change the existing Forestry and Trails Technician position to Trails Coordinator
- Remove existing annual 4-month contract position (Trails Maintenance)
- Public Works will have the responsibility of the County Trails and the Area Weed Inspector that is currently held by the Director of Development and Property

**POSITIONS
Non-Union X**

This change will impact a number of positions and reporting structures.

Background

The 2020 Service Delivery Review by Strategy Corp. provided a number of recommendations regarding the Development and Property Department that included the following:

- Reduce the number of Managers from four (4) to three (3)
- Place the County Forester in a more strategic role within the Department
- Transfer the trail maintenance and trail build to Public Works and Engineering Department

Recent staffing changes have necessitated a review of the Department and how the County delivers the Forestry, Trails, GIS and Weed Inspection programs which would align with the recommendations of the Service Delivery Report. The proposed structure would ensure that the key forestry, GIS and Trails deliverables are achieved or enhanced.

SUMMARY

- Background
- Discussion

Discussion:

GIS

Currently the GIS Division consists of one GIS Technician providing GIS expertise and support to the County of Renfrew. GIS is being used by more County and Municipal staff than ever before. With the newly signed Enterprise Licence agreement (ELA) with esri this has allowed for many more County and Municipal staff access to GIS. With the new ELA there is more municipal and county GIS support required such as in setting up new users, assigning and maintaining GIS software licenses, technical support, maintaining datasets both on internal servers and on the ArcGIS Online platform, ArcGIS Online support for web mapping and web mapping applications, and ArcGIS Online field collections. There is also more GIS work coming with the recently approved 5-year County Official Plan review, all of the lower tiers will be requiring new zoning by-laws and there is increasing pressure to get more zoning by-laws completed and in two formats, official paper map schedules and Online Web Mapping Application versions. Even with some municipalities using consultants to complete their zoning by-laws, the County GIS staff is often still responsible for consolidation updates and in the future creating zoning web mapping applications. In the next few years Next Generation 911 GIS requirements for roads and address points will need to be ready to be implemented into the national 911 GIS system. Our civic addressing datasets will need to be created and verified to ensure that they are accurate and integrate with next generation 911 data standards. The GIS staff also must continue to support data analysis to help provide answers and solution to questions that are proposed from County and Municipal staff. GIS staff are continually being pulled into interesting new projects that require more time, such as grants, flood mapping, supporting Eastern Ontario Wardens' Caucus initiatives, new County websites supports.

Forestry

The Renfrew County Forest (RCF) landbase is made up of 53 different parcels of land and undergoes forest management activities annually, in accordance to a long-term forest management plan. In addition to managing the forest landbase, the forestry division also provides support to the local forestry industry through advocacy activities, policy review and comment, public education and outreach, and advice/contribution to various committees, groups and lower-tier municipalities upon request. For the most part, the program has been traditionally run by two staff since the County took over responsibility for managing the RCF in 2000 from the Ministry of Natural Resources. Since the acquisition of the Algonquin Trail, most of the time of the Forestry/Trails Technician has been occupied by trails work and as a result, the County forestry program has had to focus on core business only, and contract out tree marking from time to time.

	<p>Hiring a Forestry Technician would allow tasks that have been backlogged for the past four years to be carried out such as property boundaries, updating the forest inventory and monitoring properties for issues. It would also enable the forestry program to explore up and coming topics like a climate change impact and monitoring program, carbon credit potential and supporting the County’s discussion in the Algonquin Land Claim. It would allow proactive measures to be taken against the growing problems of invasive species and human impacts on the forest. There are also pragmatic reasons for two staff, such as improved safety in certain situations, logistical challenges with overlapping operations, and continuation of corporate knowledge of the program.</p> <p><u>Trails</u></p> <p>In 2001, the County purchased a 21-kilometre section of the K&P Rail line from Canadian Pacific. This section runs from the Town of Renfrew to the Village of Calabogie. The County completed the rail trail conversion and has been maintaining the trail with a budget of \$22,000 annually. The County partnered with Lanark County and the Township of Papineau-Cameron to purchase 300 kilometres of the CP rail line from Smiths Falls to the Town of Mattawa in 2016. Staff has completed 110 kilometres of the 219 kilometers in Renfrew County from the Town of Arnprior to the Town of Petawawa with great support from the local municipalities, snowmobile clubs, the ATV Club and the local cycling group along with our provincial and federal partners. 100 kilometres still remain to be built into a multi-use trail to get to the Township of Papineau-Cameron. The annual maintenance budget for the 110 kms of the completed trail is approximately \$255,000 with a large portion of funds dedicated to contractual work such as brushing and trailside mowing. Since the latest CP purchase in 2016, the Forestry/Trails Technician time has been limited in forestry activities because of the demands of the Trails.</p> <p>The Service Delivery Review recommended that the County should formalize the relationship between Development and Property and Public Works for trails maintenance and trail build as there is synergies in skill set, equipment, and type of work exist between Development and Property and Public Works. The Development and Property staff will continue with the promotion, marketing and funding opportunities. Also, the Development and Property staff will retain the responsibilities of the final purchases with CP and Ministry of Transportation projects, and the Mississippi Valley Conservation Authority land.</p>
<p>RECOMMENDATION</p>	<p>THAT the Development and Property Committee approves the proposed restructuring to the Development and Property Department as follows:</p> <ol style="list-style-type: none"> 1. The removal of the Manager, Forestry and GIS (Group 9, 1,820 hours); 2. The reallocation of the existing GIS Technician position to a new GIS Coordinator position (Group 6, 1,820 hours) within the GIS Division;

3. The addition of one full-time GIS Technician/Planning Technician (Group 6, 1,820 hours) within the GIS Division; and
 4. The reallocation of the existing one full-time Forestry/Trails Technician within the Forestry Division to a new Trails Coordinator position (Group 6, 1,820 hours);
 5. The addition of one full-time Forestry Technician (Group 5, 1,820 hours) within the Forestry Division; and
 6. The Trails Division will report to the Public Works and Engineering Department;
- AND FURTHER THAT this be brought forward to the February 22, 2023 County Council Budget Workshop for approval.

FINANCIAL CONSIDERATIONS	<u>HRS</u>	<u>Salary/Benefits</u>
<u>Geographic Information Systems (GIS)</u>		
Manager, Forestry & GIS	(1,820)	(\$140,000)

BUSINESS CASE - STAFFING REPORT

NEW 2023-DP-02

Date: February 14, 2023

Department: Development and Property

Report Prepared by: Jason Davis

<p>PROPOSAL</p>	<p>To re-instate the position of Senior Planner.</p>
<p>POSITIONS Non-Union X</p>	<p>Re-instate a Senior Planner position, 1820 hours; remove a County Planner position (1,820).</p>
<p>SUMMARY</p> <ul style="list-style-type: none"> • Background • Discussion 	<p><u>Background</u></p> <p>Historically the County has had “tiered” positions for the Planning Division starting with Junior Planners, to County Planners and then a Senior Planner position. This proposal would re-instate the Senior Planner position and remove one of the three County planner positions. In 2021 two Junior Planner positions were reclassified as “County Planners”.</p> <p>In 2022, the Province through various legislation changes (i.e. Bill 109 and Bill 23) have indicated a desire for faster planning approval processes.</p> <p><u>Discussion</u></p> <p>The Planning Division Services is experiencing a significant increase in planning activity, much of it stemming from much more complicated files, from the approval of the Official Plan, and from Provincial legislative changes. Many areas in our community have increased demand from property owners (existing and potential) as a result of relocating due to the pandemic, especially into our rural areas.</p> <p>To aid in the effective movement of files through the approval process, the Director and Manager have reviewed the process and have determined that the re-instatement of the Senior Planner position will allow for greater approval flexibility.</p> <p>In order to expedite the planning process, amongst other planning related functions, this position will recognize the experience, education and ability of planning staff to be able to complete the necessary reviews and submit back to the client without a further requirement of assessment and signature of the Manager. It is</p>

	<p>noted that the Manager will retain the discretion of managing all files and, through discussion, make the final determination of the complexity of each and the level of approval required.</p> <p>The Senior Planner position would include additional responsibility and authority for signing-off on planning processes and planning opinions.</p> <p>Currently across Ontario there is a shortage of planners and organizations are competing to attract and retain planning staff. An additional benefit of re-instituting the hierarchy of planning positions (i.e. Junior Planner, County Planner, Senior Planner) is to provide additional growing/promotion opportunities which will hopefully result in greater staff retention.</p>															
<p>RECOMMENDATION</p>	<p>THAT the Development and Property Committee supports re-instating a Senior Planner position (Group 8) and removing one County Planner position (Group 7) within the Development and Property Department; AND FURTHER THAT this be forwarded to the February 23, 2023 County Council Budget Workshop for approval.</p>															
<p>FINANCIAL CONSIDERATIONS</p>	<p>The majority of these costs will be recovered from an increase in Planning Fees which will be presented at a future meeting of the Development and Property Committee.</p> <p>The Senior Planner position is listed on the salary grid as a Group 8, whereas the County Planner position is a Group 7.</p> <table data-bbox="573 776 2041 995"> <thead> <tr> <th></th> <th style="text-align: center;"><u>HRS</u></th> <th style="text-align: center;"><u>Salary/Benefits</u></th> </tr> </thead> <tbody> <tr> <td>County Planner</td> <td style="text-align: center;">1,820</td> <td style="text-align: center;">\$80,000</td> </tr> <tr> <td>Senior Planner</td> <td style="text-align: center;">1,820</td> <td style="text-align: center;">\$89,000</td> </tr> <tr> <td>Increase in Planning Fees</td> <td style="text-align: center;"><u> </u></td> <td style="text-align: center;"><u>(\$9,000)</u></td> </tr> <tr> <td>Total Planning Budget Enhancement</td> <td style="text-align: center;">0</td> <td style="text-align: center;">\$0</td> </tr> </tbody> </table>		<u>HRS</u>	<u>Salary/Benefits</u>	County Planner	1,820	\$80,000	Senior Planner	1,820	\$89,000	Increase in Planning Fees	<u> </u>	<u>(\$9,000)</u>	Total Planning Budget Enhancement	0	\$0
	<u>HRS</u>	<u>Salary/Benefits</u>														
County Planner	1,820	\$80,000														
Senior Planner	1,820	\$89,000														
Increase in Planning Fees	<u> </u>	<u>(\$9,000)</u>														
Total Planning Budget Enhancement	0	\$0														

BUSINESS CASE - STAFFING REPORT

NEW 2023-PW-01

Date: February 14, 2023

Department: Public Works and Engineering

Report Prepared by: Taylor Hanrath

<p>PROPOSAL</p>	<ul style="list-style-type: none"> • Restructure Public Works and Engineering Department, moving Supervisor – Technical Services and Engineering Technicians under the Infrastructure Division; • Rename Infrastructure Division to Capital Works Division; • Establish and hire three (3) new full-time positions within the Public Works and Engineering Department, with a start date of March 2023, as detailed below: <ul style="list-style-type: none"> ○ Civil Designer, reporting to the Manager of Capital Works (formerly Infrastructure) <ul style="list-style-type: none"> ▪ Group 6 ▪ 1,820 Hours (annual) ○ Engineering Technician, reporting to the Supervisor – Technical Services <ul style="list-style-type: none"> ▪ Group 6 ▪ 1,820 Hours (annual) ○ Operations Coordinator, reporting to the Manager of Operations <ul style="list-style-type: none"> ▪ Group 7 ▪ 1,820 Hours (annual) • Establish the current part-time Administrative Assistant II as a full-time position as detailed below: <ul style="list-style-type: none"> ▪ Group 3 ▪ 910 Hours (annual)
<p>POSITIONS</p> <p>Union <input type="checkbox"/></p> <p>Non-Union <input checked="" type="checkbox"/></p>	<p>Increase in positions as follows:</p> <ul style="list-style-type: none"> • Civil Designer, Group 6, 1,820 hours • Engineering Technician, Group 6, 1,820 hours • Operations Coordinator, Group 7, 1,820 hours • Administrative Assistant II (from PT to FT), Group 3, 910 hours
<p>SUMMARY</p> <ul style="list-style-type: none"> • Background • Discussion 	<p><u>Background</u></p> <p>The County of Renfrew incurs design schedule difficulties and significant costs annually for the services of Engineering Consultants in support of Capital projects. Staff currently in the Public Works and Engineering Department have the capability to complete designs and supervise construction for most road rehabilitation and culvert structure replacement projects. However, there is no staff member dedicated to undertake design</p>

and construction supervision for culvert structures and the Technical Team, who currently consist of the Supervisor – Technical Services and two Engineering Technicians, have exceeded their project capacity.

Current infrastructure staff have completed designs for a number of culvert structures in recent years, including C058 (Constant Creek Culverts), C142 (Quade Creek Culvert), C222 (Pleasant Valley Steel Arch), C300 (Wolfe Road Twin Pipes), and C302 (Wingle Creek Culvert). However, as there is no dedicated staff member for designing these structures, staff must work as a team on each design, as time permits, and are only able to complete one (1) design, or less, per year. In the past five years, from 2016 – 2021, the County has expended \$1,236,981 on Consultant Services for various culvert structures and has projected similar or rising costs going forward.

The Technical Team has surpassed their capacity for design and supervision of road rehabilitation projects, and the need for these projects continues to increase into the future. In order to save time on designs, roads have been designed to match existing. By doing this, certain items of the road design are not evaluated during the investigation and design for roads completed in house. Additionally, due to the sheer volume of works, road rehab projects that have typically been designed or supervised in house in the past have required the services of Consultants as the Technical Team did not have capacity to complete them. In 2022, the design of County Road 21 (Beachburg Road) incurred a cost of \$77,535.96, while the construction supervision of County Roads 65 (Centennial Lake Road) and 512 (Foymount Road) are projected to incur costs of \$36,900 and \$42,000 respectively.

Discussion

A Civil Designer could realize substantial benefits to the design and supervision for culvert structures and simple bridges by allowing some of these typically contracted services to be completed internally. The benefits of establishing a Civil Designer position in the Public Works and Engineering Department may include those listed below:

- Design flexibility – changes can be made to the design throughout the process without incurring great additional costs or requiring agreement amendments;
- Higher quality designs – Consultants typically review three alternatives during preliminary design, while County staff typically review ten or more;
- Schedule Control – designs could begin immediately when budget approval occurs, and would not require RFPs and further approvals, or to be fit into a busy Consultant schedule;
- Savings on Consultant Services;
- Assistance to other Departments – designs for minor repairs to assets such as bridges along Algonquin or K&P Recreational Trail could be completed in house;

- Assistance to local Municipalities – on larger cross-culverts, where a structure may be warranted, the hydrology could be quickly checked in house and, if a structure is warranted, the design could be completed by the County at significant savings to the local Municipality.

If design for culvert structures are completed internally, it is estimated that approximately \$10,000 in Consultant Services per structure would still be required for items such as Geotechnical Studies or Design Reviews in support of the designs. However, this is significantly less than the \$30,000 – \$54,500 projected cost per structure for design services on the eight (8) culvert structures in 2022 that could have been designed in house. As shown in Table 1 below, it is estimated that significant savings may be realized so long as a minimum of four (4) culvert structure designs could be completed in house annually.

Table 1 - Comparison of Internal vs. Consultant Costs - Structures	2022 Comparison		Min. for Savings Comparison	
	Internal Design	Consultants	Internal Design	Consultants
No. of Structures Designed	8		4	
Average Per Structure Consultant Cost	\$10,000	\$36,000	\$10,000	\$36,000
Salary Costs Associated with Design	\$93,675		\$93,675	
Total Design Costs	\$173,675	\$288,000	\$133,675	\$144,000

A third Engineering Technician joining the Technical Team will significantly improve the thoroughness of review completed on road rehabilitation design, improve design schedules for roads, improve safety on roads, and negate increases in design costs due to the need for Consultant Services on road rehabilitation projects.

It is estimated that, while including evaluation of roadside safety, road alignment, signage, and sightlines in road designs, the current Technical Team could complete design and construction supervision on up to 20 km of road annually. Consultant services, using costs received for County Road 21 (Beachburg Road) rehabilitation design in 2022, could cost an estimated \$31,138.94/km for design on road rehabilitation projects. Consultant services, using County Road 65 (Centennial Lake Road) and County Road 512 (Foymount Road), could cost an estimated \$10,007.22/km for construction supervision on road rehabilitation projects. As shown in Table 2 below, in addition to the other benefits discussed, significant savings may be realized so long as the County continues to undertake the design of a minimum of 2.5 km more than what is currently achievable with current staffing (22.5 km total or more) internally with the third Engineering Technician position established.

Table 2 - Comparison of Internal vs. Consultant Costs - Roads	2022 Comparison	Min. for Savings Comparison
---	-----------------	-----------------------------

	Internal Design	Consultants	Internal Design	Consultants
Length of Roads Designed over 20km	16.4		2.3	
Average Per km Consultant Design Cost		\$31,138.94		\$31,138.94
Average Per km Consultant Supervision Cost		\$10,007.22		\$10,007.22
Salary Costs Associated with Design & Construction Supervision	\$93,675.00		\$93,675.00	
Total Design Costs	\$93,675.00	\$674,797.04	\$93,675	\$94,636.17

As outlined above, shifting of the current Technical Team under the Capital Works Division, and establishment of two (2) new positions within that Division, will provide substantial benefits to the County of Renfrew. However, shifting of the Technical Team under the Capital Works Division leaves a gap in the Operations Division as programs like patrol facility repairs, AVL system, RWIS, and others require specialized staff input to maintain. New Operations programs, such as electronic road patrol and digital service records, require a great deal of time to research and enact but would provide great benefit to the Operations Division overall. Therefore, in order to restructure the Department to include all Road and Structure Capital Works under a single division, a new position is required within the Operations Division as well, an Operations Coordinator. All of the Operations programs require careful and detailed oversight. Programs such as the maintenance and repairs at the Patrol facilities, the Automated Vehicle Location (AVL) system, the Regional Weather Information System (RWIS), and the Health and Safety program for Operations staff require a dedicated staff member to ensure they are maintained. Additionally, an Operations Coordinator would permit advancements in the Division such as the enactment of electronic road patrol, digital service records, digit work/service orders, and more programs that could realize substantial efficiencies and/or savings within the Division in the future. Additionally the Operations Coordinator would provide the below benefits:

- Assistance to other Departments – developing maintenance programs for the Algonquin and K&P Recreational Trails;
- Assistance to local Municipalities – developing or advancing Operations Programs with staff of local Municipalities.

The completion of more designs internally will increase the administrative workload as items such as Preliminary Design Reports (PDRs), more Payment Certificates, and specifications will now be drafted, formatted, and reviewed internally as well. As such, it is proposed that the Administrative Assistant II, currently under the Infrastructure Division, which is currently part-time be established as a full-time position.

Table 3 below provides a summary of potential savings based on the 2022 Capital Program as well as minimum amount of design and construction supervision required to be completed internally in order to achieve savings from typical Consultant Costs with the proposed Departmental restructuring and staffing changes.

Table 3 - Comparison of Internal vs. Consultant Costs - Overall	2022 Comparison		Min. for Savings Comparison	
	Internal Design	Consultants	Internal Design	Consultants
No. of Structures Designed	8		4	
Average Per Structure Consultant Cost	\$10,000.00	\$36,000.00	\$10,000.00	\$36,000.00
Length of Roads Designed (over 20km)	16.4		5.7	
Average Per km Consultant Cost		\$41,146.16		\$41,146.16
Civil Designer Salary & Benefits	\$93,675.00		\$93,675.00	
Engineering Technician Salary & Benefits	\$93,675.00		\$93,675.00	
Operations Coordinator Salary & Benefits	\$101,089.00		\$101,089.00	
Administrative Assistant II Salary & Benefits increase	\$48,769.00		\$48,769.00	
Total Costs	\$417,208.00	\$962,797.02	\$377,208.00	\$378,533.11

As per above, substantial savings, in addition to benefits such as improved designs, improved design schedules, and the ability to assist Local Municipalities, could be achieved by the County of Renfrew through restructuring the Public Works and Engineering Department, moving the part-time Administrative Assistant II to full-time, and enacting three new positions – a Civil Designer, a third Engineering Technician, and an Operations Coordinator.

Though the proposal will significantly reduce Consultant Services, the need for such services cannot be eliminated. Consultants shall still be required for items requiring specialized skills such as bridge rehabilitation, road reconstruction, materials testing, geotechnical investigations, and other items outside the scope achievable with staff.

<p>RECOMMENDATION</p>	<p>THAT the Operations Committee support the following within the Public Works & Engineering Department:</p> <ul style="list-style-type: none"> • Restructuring of the Public Works & Engineering Department; • Renaming of the Infrastructure Division to the Capital Works Division; • Enactment of three new positions – a Civil Designer (Group 6, 1,820 hours), a third Engineering Technician (Group 6, 1,820 hours), and an Operations Coordinator (Group 7, 1,820 hours); and • Establishment of the current part-time Administrative Assistant II position as a full-time position (Group 3, 910 hours). <p>AND THAT this be brought forward to the February 22, 2023 County Council Budget Workshop for approval; AND FURTHER THAT a report be completed and presented in 2025 budget cycle evaluating the progress, benefits, and impacts associated with the changes resulting from this Business Case.</p>																								
<p>FINANCIAL CONSIDERATIONS</p>	<p>The annual cost of the Civil Designer is \$93,675. The cost of the Civil Designer is proposed to be applied to the projects on which they work, and would be allocated from the Capital budget for the projects each year similar to costs associated with Consultant services and Engineering Technician salaries now.</p> <p>The annual cost of the Engineering Technician is \$93,675. The cost of the added Engineering Technician is proposed to be applied to the projects on which they work, and would be allocated from the Capital budget for the projects each year similar to Consultant Costs and Engineering Technicians now.</p> <p>The annual cost of the Operations Coordinator is \$101,089. The cost of the Operations Coordinator is proposed to be applied to the Maintenance budget.</p> <p>The annual cost increase of moving the part-time Administrative Assistant II to full time is \$48,768. The additional cost of the full-time Administrative Assistant is proposed to be applied to the Administration budget.</p> <p>Additional costs for items such as establishment of work/office space and purchasing of necessary equipment such as computers are approximately \$23,000 for the three new positions.</p> <table border="0" data-bbox="583 1101 1654 1448"> <thead> <tr> <th></th> <th style="text-align: center;"><u>HRS</u></th> <th style="text-align: center;"><u>Salary/Benefits</u></th> </tr> </thead> <tbody> <tr> <td>Civil Designer</td> <td style="text-align: center;">1,820</td> <td style="text-align: center;">\$ 93,675</td> </tr> <tr> <td>Engineering Technician</td> <td style="text-align: center;"><u>1,820</u></td> <td style="text-align: center;"><u>\$ 93,675</u></td> </tr> <tr> <td>Total PW Capital Budget Enhancement</td> <td style="text-align: center;">3,640</td> <td style="text-align: center;">\$187,530</td> </tr> <tr> <td>Operations Coordinator</td> <td style="text-align: center;">1,820</td> <td style="text-align: center;">\$101,089</td> </tr> <tr> <td>Administrative Assistant II</td> <td style="text-align: center;">910</td> <td style="text-align: center;">\$ 48,768</td> </tr> <tr> <td>Computer Supplies</td> <td style="text-align: center;">_____</td> <td style="text-align: center;"><u>\$ 23,000</u></td> </tr> <tr> <td>Total PW Administration Budget Enhancement</td> <td style="text-align: center;">2,730</td> <td style="text-align: center;">\$175,857</td> </tr> </tbody> </table>		<u>HRS</u>	<u>Salary/Benefits</u>	Civil Designer	1,820	\$ 93,675	Engineering Technician	<u>1,820</u>	<u>\$ 93,675</u>	Total PW Capital Budget Enhancement	3,640	\$187,530	Operations Coordinator	1,820	\$101,089	Administrative Assistant II	910	\$ 48,768	Computer Supplies	_____	<u>\$ 23,000</u>	Total PW Administration Budget Enhancement	2,730	\$175,857

Long Term Financial Plan

April 29, 2015

At the April 29, 2015 session of County Council the long term financial plan for asset management was presented with the following Resolution No. FA-CC-15-04-46 being adopted:

“THAT County Council approve the Long Term Financial Plan to be used as a guideline for future budget deliberations to strategically finance the County of Renfrew’s Asset Management Plan; AND FURTHER THAT the Long Term Financial Plan and scorecard be reviewed each year as part of the budget process.”

The long term financial plan approved by County Council includes the following components:

- **projected annual levy increase of 3%**
- **restriction in the use of that levy increase to only 2.5% per year for operating expenses**
- **utilization of the annual current value assessment (CVA) weighted growth (estimated at 1.48%)**
- **new debt for projects in excess of \$3 million**
- **annual Provincial funding of at least \$500 thousand**
- **Annual Federal Gas Tax funding of at least \$2.6 million**
- **Minimum Capital Reserve balance of \$2 million**

2023 Budget Guidelines

2023 Budget Guidelines [Strategic Plan Goal #3]

RESOLUTION NO. FA-CC-22-09-83

Moved by Chair

Seconded by Committee

THAT County Council approve the 2023 Budget Guidelines as follows:

- annual levy increase of **2.5%**;

AND THAT County Council also confirm the remaining elements of the Long-Term Financial Plan as follows:

- restriction in the use of that levy increase to only 2.5% per year for operating expenses;
- utilization of the annual current value assessment (CVA) weighted growth into capital reserves (estimated at 1.48%);
- new debt for projects in excess of \$3 million;
- annual Provincial funding of at least \$500 thousand;
- annual Federal Gas Tax funding of at least \$2.6 million; and
- minimum Capital Reserve balance of \$2 million.

This plan requires \$363 million in reserve funding, \$17 million from the Province through OCIF, \$29 million from Gas Tax and \$31 million in new debt, and \$751k from Pembroke for RCHC.

This plan maintains Gas Tax at \$2,914,661 beyond 2023 and includes \$2,815,973 of OCIF funding until 2026 based on the Ministry announcements in 2022.

Used for Operating	(2,289,638)										
Interest Earned		350,024	161,402								
LTM Growth											
Closing Balance	35,002,385	16,140,220	3,412,806	(9,959,783)	(24,260,065)	(35,125,194)	(46,226,431)	(51,555,695)	(59,887,643)	(59,922,379)	

The Capital Reserve position will reduce from \$49 million in the 2021 audited Statements to \$35 million by the end of 2023

Our Reserves will be depleted by 2026.

The Long Term Plan will generate \$256 million over the next 10 years, which is not sufficient to fund the \$363 million needed for capital renewal.

*New Debt Added for a 10 year term at 5%

Interest on New Debt will be \$17,679,843

These 10 Year Plans Don't Include Asset Growth

What About Growth?

LTM Growth - November 2021

From County Operations Committee of Monday, November 8th, 2021 debate and conversation ensued regarding the amount of monies needed to complete anticipated growth along County Roads into the foreseeable future. The following resolution was passed;

RESOLUTION NO. OP-C-21-11-136

Moved by Councillor Lynch

Seconded by Councillor Hunt

THAT County staff be directed to consult and contact the local municipalities to collect information and financial projections with respect to growth in each community as part of the process as part of the process of establishing future funding for County infrastructure over the next 10 years. **CARRIED.**

November 2021 (estimates)

LTM Growth – April 2022

A Special Session of County Council was held on April 20, 2022 for Watson & Associates, Economists Ltd. to provide County Council with an overview of the basics of Development Charges.

At that session of County Council, the following resolution was adopted:
“THAT County Council direct staff to continue to investigate opportunities associated with Development Charges and cost recovery alternatives to address growth issues in the County of Renfrew including an outline of the process moving forward; AND FURTHER THAT this information be provided through the Finance and Administration Committee.”

Accordingly, staff reached out to Watson & Associates and received a proposal letter regarding the potential for the County of Renfrew to undertake a Development Charges Background Study.

LTM Growth – June 2022

RESOLUTION NO. FA-CC-22-06-65

Moved by Chair

Seconded by Committee

THAT County Council approve that Watson & Associates Economists Ltd. be engaged to provide a Development Charges Background Study for the County of Renfrew at an approximate cost of \$40,000; FURTHER THAT this includes the additional optional meetings to review the Development Charges process with County Council, local municipalities, and the development community; AND FURTHER THAT the Development Charges Background Study also include the additional cost of \$10,000 to complete an analysis to include development charges for eligible services (i.e. ambulance, municipal housing and long-term care services).

*Consultant indicates that it will take roughly 10 months from the time we engage Watson & Associates to have a by-law drafted for consideration.

Resolution to Approve 2023 Budget

Moved by:

Seconded by:

THAT a By-law to adopt the estimates of the sums required during the year for 2023 for general, capital and all purposes of the County of Renfrew in the amount of \$ _____ be adopted at this session of County Council; AND FURTHER THAT the 2023 tax rates for County purposes be adopted by by-law after the adoption of the 2023 tax policy by-laws.
