For Immediate Release

Notice of Online Public Information Centre 2 for Transportation Master Plan

County of Renfrew has experienced a 3.9% growth in population from approximately 102,394 people in 2016 to 106,365 people in 2021, indicating steady growth within the County. By 2036, the population is forecasted to reach 107,245. To strategically prepare for this growth and enhance the County's existing transportation network, the County of Renfrew retained Egis Canada to undertake the development of the County's first ever Transportation Master Plan (TMP).

The TMP is a strategic policy document that will serve as a road map for short-range, medium-range, and long-range transportation infrastructure investments, as well as multi-modal transportation planning.

The first of two Public Information Centres (PIC) held in March 2024 introduced the Transportation Master Plan update process and outlined the current conditions. Comments from the public and stakeholders have continuously been accepted and reviewed.

This final PIC will present analysed future conditions and proposed future infrastructure improvement recommendations along with recommended policy. This PIC will provide insight into what the final TMP update document will contain.

The Process

The TMP update will be developed in accordance with the Provincial Environmental Assessment (EA) Act, following the Approach 1 as outlined in the 2023 Municipal Class Environmental Assessment (MCEA) document. The TMP will cover Phase 1, Problem and Opportunity, and Phase 2, Alternative Solutions, of the MCEA process and facilitate streamlining and implementation of recommended capital works.

Have your say

An important part of this study is consultation with the public, stakeholders, and the County's agency partners. We want to hear from you on the issues and opportunities that you see for the County's transportation system to the horizon year of 2034.

The project team will host the second of two Public Information Centres to gather public input and present findings of the study.

Details for the second Public Information Centre are as follows:

Public Information Centre (PIC) 2

For the public's convenience, PIC 2 will be livestreamed online.

PIC Meeting 2:

Date: February 25th, 2025

Time: 6:00 pm – 8:00 pm

Location: Microsoft Teams Meeting – Virtual

Meeting Link:

You can attend the Transportation Master Plan PIC through the virtual meeting link provided below:

[Click here to join the meeting](#)

The PIC will be broadcasted on Microsoft Teams in a virtual style session. Please note that the formal presentation will start promptly at 6:00 pm. At the virtual PIC, you will be able to learn about our approach and our findings, ask us questions and share your thoughts and opinions. Your participation in the PIC is important to us.

If you are not able to attend the PIC online, there will be screens available in the County's Council Chambers to join and view the presentation at the address below:

County Administration Building
9 International Drive
Pembroke, ON K8A 6W5

Furthermore, the recording of the presentation will also be made available online after the PIC.

Accessible formats and communication supports are available upon request. The County of Renfrew is committed to accessibility for persons with disabilities. Please contact THanrath@countyofrenfrew.on.ca if you have an accessible accommodation request.
